

Château Mont Saint Pey 2024

AOC Bordeaux, Bordeaux, France

Situated in the heart of the Entre-Deux-Mers region, with clay-limestone soil drained naturally by underground rivers.

These "cooler" soils are perfectly suited to the Sauvignon grape variety, which expresses itself through very fruity aromas.

TERROIR

Clay and limestone soils

WINEMAKING

Skin maceration at low temperature. Slow fermentation to obtain maximum aromas and delicacy.

VARIETALS

Sauvignon 65%, Sémillon 35%

AGEING POTENTIAL

2 to 3 years

TASTING

Nice attack on the palate, with a good acidity / alcohol balance. This wine is characterized by its freshness and fruitiness on the palate. A very aromatic wine.
