

## Château Mancèdre 2020

AOC Pessac-Léognan, Bordeaux, France

The vineyard was created in the 17th century on a deep gravelly hillside, well drained and remarkably well exposed. In 2004, the new owners decided to focus on top-of-the-range quality. In the commune of Martillac, in the heart of the Pessac-Léognan appellation.

The winery is a real jewel of technology, part of an eco-responsible movement to produce quality, delicious wines.
