

ARTEVINO

WINE MERCHANT SINCE 2005

ARTEVINO, the trading subsidiary of the Union de Producteurs de Saint-Emilion, was set up in 2006 to offer a tailor-made range of wines from the Bordeaux region and beyond: Graves, Pessac Léognan, Médoc, Côtes de Bourg, Côtes de Blaye, Saint-Estèphe, Margaux, Pauillac, IGP Comté Tolosan, etc. Thanks to the close relationships we have built up with the Châteaux, we are able to offer quality wines at competitive prices, with possible access to prestigious Grands Crus Classés.

We put all the technical, commercial and logistical skills of the Union des Producteurs de Saint-Emilion at the service of a tailor-made offer of wines selected with care and expertise.
