

NOUVELLE VAGUE

Douce Collines Montagne-Saint-Emilion 2022

AOC Montagne-Saint-Emilion, Bordeaux, France

Douce Collines: (re)discover the wines of the Saint-Emilion region!

PRESENTATION

Between vineyards and rivers, along wooded hillsides and picturesque roads, the vineyards of Saint-Emilion, Lussac, Puisseguin and Montagne form a landscape of gently sloping hills stretching over more than 75 km².

Poetically known as the "hill of a thousand châteaux", these vineyards are characterised by a mosaic of plots, where the vines take root in clay-limestone soils.

Our Douces Collines range invites you to (re)discover these terroirs through wines from the finest plots of our winegrower-members.

TERROIR

Clay-limestone soils

IN THE VINEYARD

Harvested by plots and grape varieties selections

WINEMAKING

Filling-in stainless steel or concrete vats with temperature control
Pre-fermenting maceration
