

AURELIUS

SAINT-ÉMILION GRAND CRU

Aurélius 2021

AOC Saint-Emilion grand cru, Bordeaux, France

Aurélius is an exceptional wine, the result of a unique selection of plots throughout the appellation. Carefully chosen by our winemakers, these plots offer a comprehensive representation of the Saint-Emilion Grand Cru terroir.

PRESENTATION

Aurélius embodies the excellence and authenticity of our terroir. Its name, inspired by antiquity, pays homage to the Roman Emperor Marcus Aurelius Probus, who played a pivotal role in the development of viticulture. This Saint-Émilion Grand Cru is derived from an exclusive selection of vineyard plots.

TERROIR

Clay-limestone soils and gravelly sands

IN THE VINEYARD

Rigorous de-budding
Preservation of ground cover
Harvesting by hand

WINEMAKING

14-18 months in 100% new French oak barrels

VARIETALS

Merlot 80%, Cabernet franc 20%

TECHNICAL DATA

Production volume: 25000 Bottles/Year

Contains sulphites.

TASTING

This wine boasts a deep ruby hue with captivating purplish highlights that invite you to take a sip. Its nose reveals a harmonious bouquet of fresh, ripe fruit, subtly complemented by notes of toasted almonds and vanilla. The palate shows remarkable complexity with silky tannins, a broad, velvety texture and excellent length. Crafted with remarkable skill and profound respect for its terroir, this exceptional wine seamlessly blends elegance and character.
