

## Château Yveline 2019

AOC Lalande-de-Pomerol, Bordeaux, France

The estate has been in the family for over two centuries and is located to the east of the Lalande de Pomerol appellation, in the commune of Pomerol. Every effort is made to combine tradition, the heritage of our ancestors and new technologies in order to produce a top-quality wine that gives pride of place to the expression of the terroir.

### TERROIR

Clay limestone and sand.

### IN THE VINEYARD

Manual harvest with selective sorting.

### WINEMAKING

Traditional vinification in temperature-controlled stainless steel or lined concrete vats, with 2 to 3 weeks of maceration.

### AGEING

Ageing, also in vats with appropriate oxygenation, for 18 to 20 months in an air-conditioned cellar.

### VARIETALS

Merlot 90%, Cabernet franc 10%

### AGEING POTENTIAL

5 to 10 years

### TASTING

On the palate, the Merlot grape variety offers fullness, suppleness and strength. This wine is fruity and easy to enjoy young, but ageing allows its tannins and primary aromas to develop slowly, resulting in an intense, elegant flavour.
